

# CITY OF COVINA

## SAMPLE PLOT PLAN FOR FENCE/WALL

ADDRESS: \_\_\_\_\_

Maximum allowable height for fences and walls beyond the Front Setback (FSB) Area is 6 feet (without a Building Permit.)

Planning Approval required for all fences, walls, and hedges.

Legend:

Existing Wall/Fence

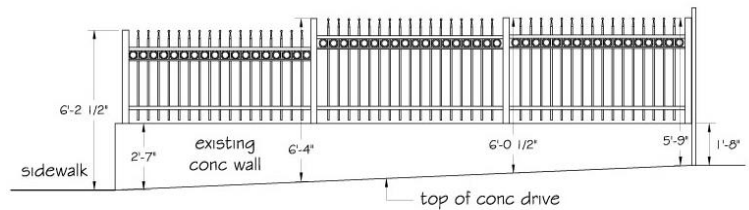

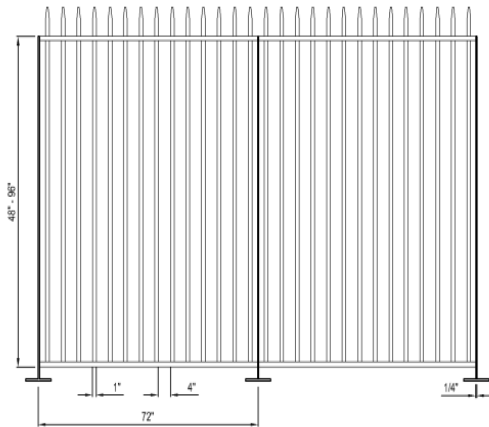

New Wall/Fence

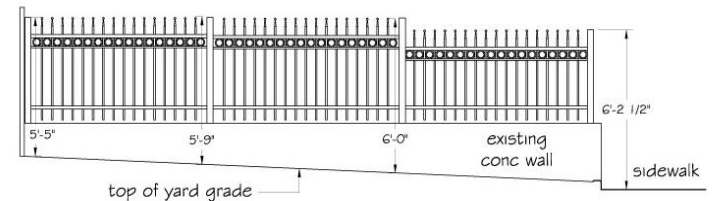

## EXAMPLES OF FENCE/WALL ELEVATIONS

### Call out the following on your elevation:

- Wall height (Measured from finished surface or grade to top of wall)
- Linear footage
- Material used (stucco, stone, etc.)
- Color
- When wall or fence is constructed or installed on the property line, written consent signed by both property owners, is required prior to planning approval.

Elevation - left (view from owner side)  
scale: 1/4" = 1'-0"

Elevation - left (view from neighbor's side)  
scale: 1/4" = 1'-0"
